The Gospel Project® is a chronological, Christ-centered Bible study for Kids, Students, and Adults that examines how all Scripture gives testimony to Jesus Christ.

**In Order for the Word to Dwell in You,
You Must Know the Word.**

For every Christian, a deep knowledge of the Word helps make the difference between a shallow faith and a life of trust and obedience. This intimacy with the Word develops as we dedicate our lives to reading and studying it personally, in community with others, and regularly examining how it should impact us every day.

When the Bible Meets Life

In chapter 4 of John's gospel, Jesus encountered a lonely, outcast woman at a well. Through a series of questions, Jesus connected with her right where she was, and helped her see how He was the answer to her greatest need. That brief conversation inevitably resulted in a life, and even a community, redirected in pursuit of Him. People need Jesus to meet them right where they are. They need to see how the Bible meets their lives and they need a community of Christ followers surrounding them.

SMALL GROUPS

Small Group Resources

Small groups, unlike straightforward Bible studies, make disciples through the utilization of and processing of God's story as it intersects with our stories. When an individual joins a micro-community of believers, that person involves themselves in the gaining and processing of Biblical knowledge in community and utilizes Scripture to get to know a complex God and to understand life in relationship with Him. Rick Howertown calls this "experiential discipleship."

LifeWay Christian Resources has a wide array of resources for your small group. Whether your group is comprised of adults, young adults, students or kids, you're sure to find just the right resource to match the purpose and intent of your group.
