Extend My Border? This workshop will cover 1 Chronicles 4:10, known as the Prayer of Jabez, to provide encouragement in how to step out of your comfort zone and become more effective in areas of personal growth, obedience, and service. *Led by Kathy Aubrey*

Kingdom Expansion: Recruit, Train and Mobilize Leaders for Ministry: Learn how to effectively recruit people for ministry service, train and coach others for ministry service, and increase the ownership and skills in those serving in leadership. *Led by Sharon Haller*

Caring for our Kids: Have you heard the term human trafficking and wondered what that could mean for a child in your care? This workshop will demystify human trafficking through interactive learning about vulnerabilities, signs to watch for, and safety planning with your youth. Come get involved in fighting modern day slavery! *Led by Sarah Spear*

HELP! I NEED COURAGE! In our time together we will look at the Biblical mandate for sharing our faith. We will look at practical ways we can build our courage. We will look at some tools that can be used for the “faint of heart” in beginning to share your faith. Our workshop will be a safe place to learn – without judgment and guilt. *Led by Tommy Echols*
